ISP had a successful year in advocacy in 2024, accomplishing getting the Network Adequacy Bill implemented in less than 12 months. Signed by IL Governor Pritzker in August. Also, ISP had a successful 2014 and 2015 with advocacy....passing an ACO Bill and the Illinois Anti-Markup Bill. Both of these efforts were accomplished with advocacy donations. ISP continues to monitor IL legislation to protect payment to pathologists PLEASE DONATE TO THE ISP ADVOCACY ACCOUNT.
